

Slatwall Catalog

Looking for a simple, affordable solution for storing bicycles, sports equipment, lawn & garden tools, or any variety of other items?

Then slatwall panels and accessories may be a perfect fit for you. Whether you want to use it as a standalone storage system or add it to a complete solution that includes garage cabinets; slatwall can be a great option for storing your stuff.

Our interlocking slat wall panels are made of a blended cellular PVC material that is 100% recyclable. The panels are waterproof; and resistant to mold and mildew as well. This storage solution is built to last, and best of all, made right here in the USA!

There are eleven different slatwall panel color options available; so, you can match your slatwall system to your space and taste. With dozens of slatwall accessories to choose from, you can keep a variety of things off the floor, yet easily accessible to anyone who needs to be able to retrieve things or put them away.

On the following pages, you will find all the panel colors and accessories we offer.
